

## Nomination of Death Benefit

I understand that this request is not binding on the Administrator but in the event of my death while a member of the Redswan SIPP, I would like the Administrator to consider making payment of any lump sum death benefit which it is empowered to distribute at its discretion to:

	1		2
<b>Name and address</b>			
<b>Relationship to you</b>			
<b>Proportion</b>			
	3		4
<b>Name and address</b>			
<b>Relationship to you</b>			
<b>Proportion</b>			

- You may nominate any person, charity, association, club or society
- If you just want the money paid in to your estate, just write "to my estate" and the proportion. NB – this may mean you pay more Inheritance Tax and you are urged to seek advice
- Please ensure the total comes to 100% exactly

I also understand that in the event of any change of circumstances, it is my responsibility to see that any alteration in my wishes is made known to the Administrator by submitting a further form.

**PLEASE RETURN THE COMPLETED FORM TO REDSWAN PENSIONS**
